Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: It has only been through
Madison Pharmacy Associates in Wisconsin,
a specialized formulary pharmacy, that
I have been able to get the prescriptions
I need for my menopausal symptoms. I
live in Pennsylvania, and there is no such
resource here. Working with my doctor,
Madison has compounded the exact formula
and dosage I need to alleviate these symptoms.
Without their help, I may have to quit my
job, as these symptoms were very debilitating.
